1200 Sixth Ave., Suite 900
Seattle, WA 98101
R10.foia@epa.gov

Dear Region 10 FOIA Officer,

This is a request for public information pursuant to the Freedom of Information Act, 5 U.S.C. § 552, by the Idaho Conservation League. Since 1973, the Idaho Conservation League has been Idaho's voice for clean water, clean air and wilderness—values that are the foundation for Idaho's extraordinary quality of life. The Idaho Conservation League works to protect these values through public education, outreach, advocacy and policy development. As Idaho's largest state-based conservation organization, we represent over 25,000 supporters, many of whom have a deep personal interest in the health of our lakes and rivers, which are among our most treasured natural resources.

We are writing to request the Discharge Monitoring Reports for the following wastewater facilities: City of Sandpoint, Idaho, NPDES # ID-002084-2 and Kootenai-Ponderay Sewer District, NPDES # ID-002122-9. We would like all DMRs submitted for 2013. In addition, we would like copies of the quarterly non-compliance reports for 2013, and last two quarters of 2012 for Idaho.

If this request is denied in whole or in part, please justify all deletions by reference to specific exemptions of the Act. We, of course, reserve the right to appeal your decision to withhold any information.

As a 501(c)3 organization working for the public interest, we also request that you waive any fees associated with this request. Release of the information is in the public interest because it will contribute to public understanding of government operations and activities. If possible, please provide the information on a compact disk, and mail to me at ICL, P.O. Box 2308, Sandpoint, ID, 83864.

We look forward to your timely response. Thank you for your assistance, and feel free to contact me if you have any questions.

Regards,

Susan Drumheller
